

GRACE SCHOLARS, INC.

GRACE Scholars, Inc., is the official student scholarship organization (SSO) for the schools sponsored by the Roman Catholic Archdiocese of Atlanta. All students receiving GRACE Awards have demonstrated financial need as determined by a third-party analysis of a family's ability to pay tuition.

Schools in the Archdiocese of Atlanta reserve the right to decline funding from SSOs which do not award scholarships based on financial need. In addition, the maximum amount of SSO scholarships awarded to students in Archdiocesan Schools is the lowest of the following: student's calculated financial need; 80% of the tuition rate applicable to the student; an index of per-pupil public school spending in Georgia; and, the maximum cap established by the local school.

GRACE Scholars, Inc., welcomes the transfer of funding from one SSO to another as allowed by state law. In these instances, the school reserves the right to award GRACE scholarships in accordance with local procedures.
