

THE ROMAN CATHOLIC
ARCHDIOCESE OF ATLANTA

April 24, 2017

Dear Our Lady of Victory Parents/Guardians:

It is with great pleasure that I write to inform you of the hiring of Mr. George Wilkerson as the new principal of Our Lady of Victory Catholic School. Mr. Wilkerson will assume his duties as principal of OLV on July 1, 2017.

Currently, Mr. Wilkerson serves as an Assistant Principal at East Coweta Middle School, a position he has held for six years. In addition, Mr. Wilkerson worked as a teacher at Madras Middle School in Newnan for seven years and as a teacher at Villa Rica High School in Villa Rica for one year. Mr. Wilkerson holds a specialist degree (Ed.S.) in education, and both a Master's and Bachelor's Degree in Business Education.

Mr. Wilkerson states that he is excited about working at a school with strong Catholic principles that foster students' exploration and engagement of those principles. In addition, he believes that utilizing different technologies, assessment strategies and continuous learning opportunities provide teachers with best practices and students with positive learning experiences.

Mr. Wilkerson, his wife and three children are active members of the Shrine of the Immaculate Conception in Atlanta where he serves as a lector and where his family serves in the night shelter program for the homeless in Atlanta.

I am currently working on arranging a time for the faculty and staff to meet their new principal and also coordinating with Mr. Lee to arrange a formal "Meet and Greet" opportunity for parents, guardians and students of OLV. More information will be forthcoming as these opportunities emerge.

Finally, I want to extend my personal gratitude to Mr. Lee for serving as the Interim Principal of Our Lady of Victory Catholic School. Mr. Lee has been a true blessing for the school community and I know you join me in thanking him for his tireless service this year. On Friday, May 26, he will complete his last day at OLV and work his way back to his family in Chicago. Before the end of the year, please stop by and thank Mr. Lee for all of his hard work this past school year.

Sincerely,

Diane Starkovich, Ph.D.
