Principal's Message

Greetings!

As the end of the school year draws near, I hope you are looking forward to a restful and relaxing summer!

I want to take a moment to thank you all for your welcoming me to the OLV family and for all your support! I have thoroughly enjoyed being here this year, and I am looking forward to continuing to see growth and good times come to Our Lady of Victory.

It has been a pleasure to lead and learn with your students this year. Thank you again for all you do for OLV!

Please look over the attached information regarding some upcoming events we have for the students. If you have any questions or concerns, please do not hesitate to contact us. Thank you again for your support of OLV.

Sincerely,
George Wilkerson

renweb Next school year, OLV will be switching to a new communication, database, and gradebook software called RenWeb. We will no longer be using PlusPortals. Please be on the lookout for some tutorial information about how to set up your RenWeb account.

Volunteer Hours

Active parents enhance the school's ability to provide an excellent education in a Christ-centered environment. When a parent takes the time to come to school, the message is sent to his/her child that "School is a priority in our family." It is with this in mind that the school, in coordination with the Home and School Association, developed a MANDATORY VOLUNTEER program. More information will be forthcoming; each family will be required to VOLUNTEER at least 16 hours next school year. For every hour not met, that family will have a \$10 fee charged to FACTS per hour.

OLV will have VIRTUS training at the school July 18. This training allows you to volunteer at the school as a chaperone, and to work in the classes.

If interested, please register online at www.VIRTUS.org. (Click on the green "first time registrant" button and follow the prompts to create a profile, please choose the 7-18-18 class to attend).

Date: Wednesday, 7-18-18

Time: 9:30am to 12:30pm

From OLV CAFE

Thank you for letting your children enjoy our cafeteria meals this year! I had so much fun with the 6-8 grade students every month building nutritious menu and I have seen a huge change in their choice of foods!

At the beginning of the year I had kids that would not eat salad, now they ask for double serving of salad and come back for seconds on fruits and salads! The kids managed to convince me to let them plan freely two monthly menus a year, so I gave them December and the last month of school, May! On those two months they don't need to keep nutrition in mind while we plan the menu, but this has taken me by surprise as they chose some fairly healthy items to be added! I honestly was expecting to see only three or four items being repeated through the whole month, nuggets, burger, hot dog and pizza, but they made a very appealing menu!

I look forward to seeing all of your children back in August and welcoming the new 6th graders that will have their input on the menu for the very first time! The cost of the food will remain \$4 per meal when purchased with the punch card and \$5 for the ones that don't have punch cards and pay cash, there will also continue to be no charges for second servings. Enjoy your summer!

School Bonds to be paid off in 2019!

Our Lady of Victory is on schedule to have the mortgage paid in full in 2019! This means the bonds on the school will be a thing of the past! Starting with the 2019-2020 school year, OLV will move to a Catholic/Non-Catholic tuition structure. All current families, Catholic and Non-Catholic, will be locked in with the "Catholic tuition rate". All new Non-Catholic families, starting in the 2019-2020 school year, will have a different tuition rate than our Catholic families. Please spread the word, as next year will be the last year to get into OLV before the rates change.
