"The News at OLV"

## IMPORTANT DATES TO REMEMBER

## Principal's Message

Saint Pope John Paul II once said, "The future is in your hearts and in your hands. God is entrusting to you the task, at once difficult and uplifting, of working with him in the building of the civilization of love." With this being the last year of OLV, our task is truly great. We, as a community, have the honor to carry out OLV's mission and take that with us to St. Mary's Academy. I look forward to closing out OLV in a fashion fitting its original motto: "Our Faith Will Conquer the World!"

We are off to great start here at OLV, and we are looking to improve as the year progresses. As we move into the routine of school, please continue to communicate with us any questions or concerns you may have. We strive to continually improve as a school, and we hope that our passion for being lifelong learners is passed along to our students.

Please look over the attached information regarding some upcoming events we have for the students. If you have any questions or concerns, please do not hesitate to contact us. Thank you again for your support of OLV.

Sincerely,

George Wilkerson

Thank you again to Fr. Kevin and Fr. John for coming out and blessing our students and staff!

*"We lift our voices to our God, who gathers us together in the name of Jesus. Amen"*

the yearbook, and families will have an option to purchase pictures if they desire. Information will be sent home.

If you are still not receiving voice and text messages from the school and would like to, please contact our front office. We will regularly send out messages for important upcoming events. We will also use this feature as one way to communicate school closures.

## Volunteer

To adhere to contact tracing guidelines, we are limiting the number of people in the building. We are suspending the volunteer requirement until those restrictions are lifted.

However, if you would like to volunteer, you may do so. All visitors and volunteers will be required to wear masks and self-monitor symptoms prior to entering the building. Contact the office or the teacher to find out ways in which you can lend your time and talent.

This year OLV has partnered with Catapult Learning services to provide additional small-group tutoring to

all students. This is a free service for all students at OLV. Starting in September, students will be pulled out to be given small-group instruction at least once a week in support of the classroom teacher. This small-group instruction does not replace the classroom teacher; the Catapult program will provide enrichment for students.

## Friday Rosary

Weekly Rosary for our OLV parents/guardians and community members will begin this month.

There will be a weekly Rosary reading every Friday at 8:00 a.m. in the

Media Center/Conference Room led by Ms. Hawkins. Please place prayer intentions in box in the lobby
