IMPORTANT DATES TO REMEMBER

Principal's Message

"The Lord measures out perfection neither by the multitude nor the magnitude of our deeds, but by the manner in which we perform them." - St. John of the Cross. As we move into the wonderful season of Lent, I hope that we all take some time to reflect on the deeds we can perform in service to others.

I want to send a big thank you to everyone that helped, donated, sponsored, and participated in our annual Hot Chocolate 5K. With your efforts the funds raised helps aid our Home and School association's goals in supporting our students.

Please look over the attached information regarding some upcoming events that we have for the students. If you have any questions or concerns, please do not hesitate to contact us. Thank you again for your support of OLV.

Sincerely,

Volunteer

Active parents enhance the school's ability to provide an excellent education in a Christ-centered environment. When a parent takes the time to come to school, the message is sent to his/her child that school is a priority in our family. It is with this in mind that the school, in coordination with the Home and School Association and our School Advisory Council, has developed a **MANDATORY VOLUNTEER** program. Each family will be required to VOLUNTEER at least **16 hours** during the 2018-2019 school year. For every hour not met, that family will have a \$10 fee charged to FACTS.

Please visit our website under the Home and School/ Volunteer tab to see how you can lend your time and talents!

Upcoming Volunteer Opportunities:

Annual/Patriot Fund

We continue to work towards our goal of 100% participation from families in our Patriot/Annual Fund. If you have not yet donated, you can still do so. We had a great start to our annual fund with the day of giving, we have raised \$2,000 so far towards our goal. Please see the link below for the preferred method. Reminder: this fund is used specifically for the educational needs of our students, technology, instructional materials, and helping bridge the gap between tuition and cost to educate per child. Whatever you feel you can contribute is good enough. Thank you again for your support of OLV!
